

TOP 100 OF THE WORLD HOTEL GENERAL MANAGERS

GET INSPIRED BY THE BEST OF THE BEST

2022

If the need arose to name the professions with the highest requirements for social, leadership, and organizational qualities, the position of hotel general manager would undoubtedly rank at the top of the list. This is especially true for managers of luxury hotels, where guests have every reason to expect impeccable service and organization of their stay according to the highest standards of hospitality. The Luxury Lifestyle Awards experts have been conducting meticulous industry research throughout the year to bring you the TOP 100 Hotel General Managers 2022. It is an annual registry that honors the best of the best, people who have proven their excellence through hard work and achievement and made a significant impact on the luxury hospitality industry.

The pandemic and lockdowns that hit hotels and resorts around the world have allowed the best qualities of the managers of these establishments to emerge. Under extreme conditions, they had to not only keep hotels afloat, but also create an environment in which the teams could demonstrate the highest level of service and guests could get more than they

could expect. Today, we can summarize and celebrate the leaders who were able to set the hotels up and inspire their teams to deliver the perfect world-class performance.

The general managers of the hotels that made it to the TOP 100 by Luxury Lifestyle Awards are dynamic individuals capable of making large teams of professionals of different disciplines become a team and combine their efforts to achieve exceptional results. Their ability to set new trends in luxury hospitality and their talent to change the industry for the better ensures an excellent reputation not only for them but also for the hotels they represent and the people who work with them.

TOP 100 Hotel General Managers 2022 features hoteliers who have shown outstanding leadership and performance. Their credibility is confirmed by the success and achievements of their establishment, numerous testimonials from employees, and high ratings from guests.

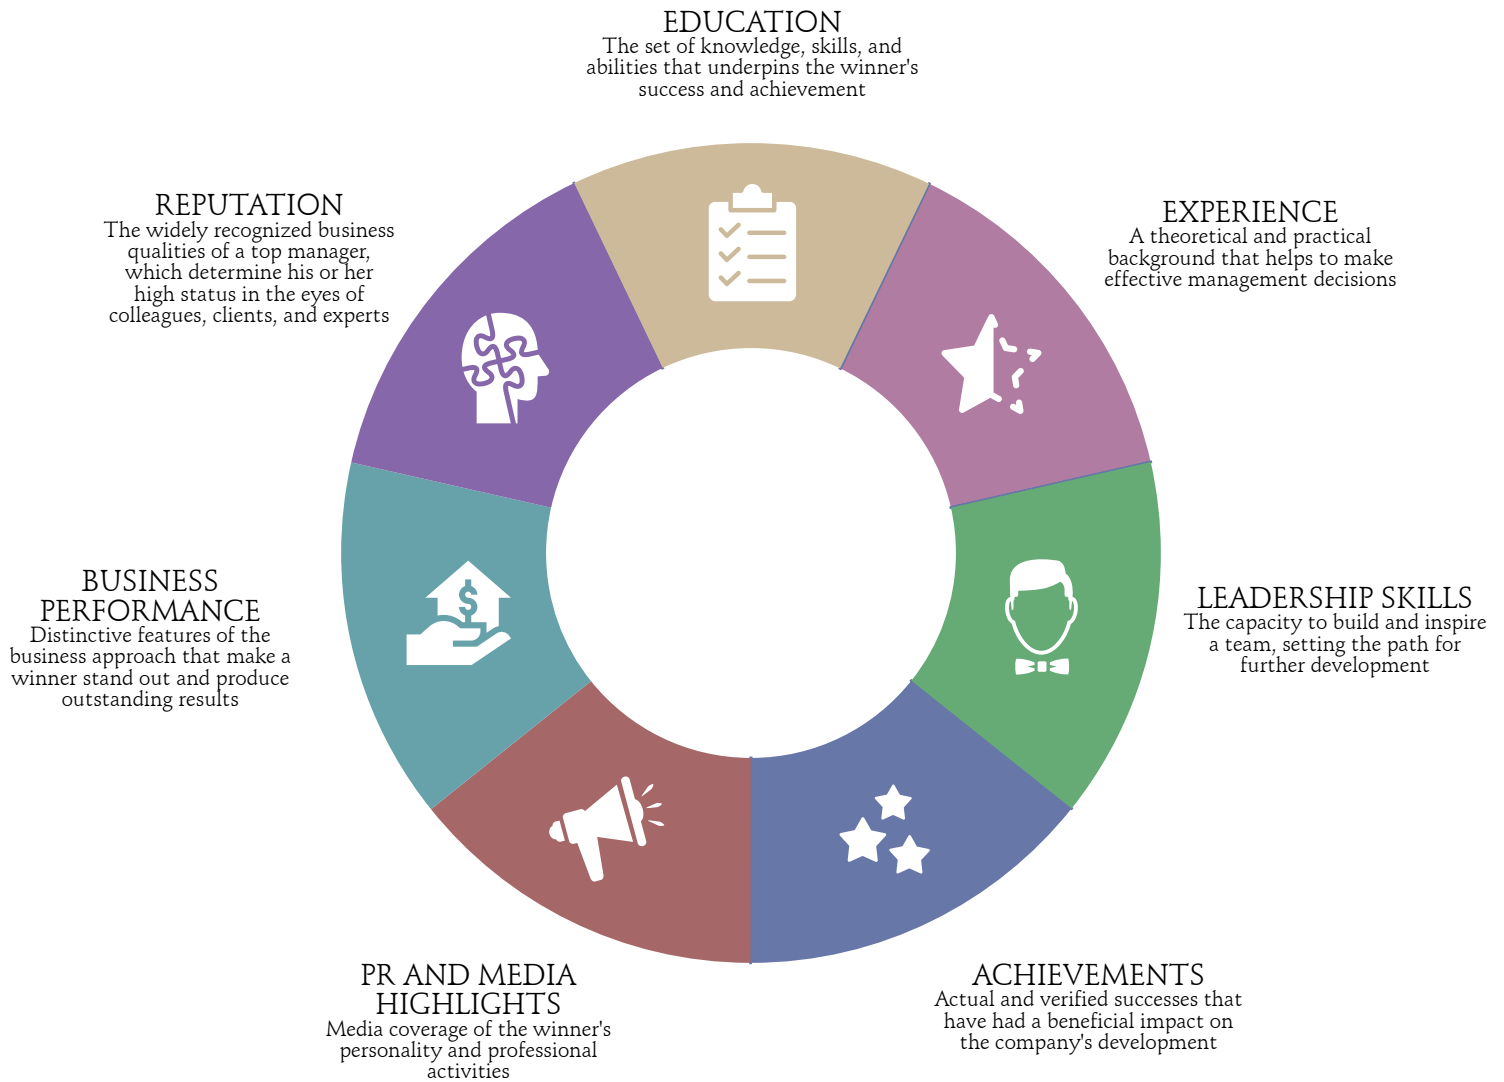

RESEARCH METHOD

Luxury Lifestyle Awards research professionals select the best companies in an online desk market research by using publicly available data to ensure maximum transparency and credibility.

We use factual information, referrals, recommendations and all materials available in the public domain.
